

Week 3 - day1 - ai-extension-add-model

Week 3 - day1 - ai-extension logo change

Week 3 - day 1 - ai-extension - playwright+typescript

The screenshot shows a web browser with two tabs: 'Extensions' and 'LeafTaps - TestLeaf Automati...'. The address bar shows 'leafTaps.com/opentaps/control/main'. The Testleaf logo is visible at the top left. Below it is a 'LeafTaps Login' form with fields for 'Username' and 'Password', and a 'Login' button. A network inspector is open at the bottom, showing a table of network requests.

Name	Status	Type	Initiator	Size	Time
form.css	200	stylesheet	opentaps.css:8	(disk cache)	3 ms
e2toz0b1r7	(blocked:other)	script	main:62	0.0 kB	6 ms
favicon.ico	200	text/plain	Other	(disk cache)	2 ms

On the right, an 'AI Browser Extension for Code Generation' is open. It has a 'Code Generator' button and a 'Settings' link. Below these are checkboxes for 'Feature File' and 'Page Class', with 'Page Class' selected. A 'Reset Chat' button is also present. A 'Copy' button is next to a code block containing the following TypeScript code:

```
import { Page, Locator } from '@playwright/test';

/**
 * Page Object representing the login screen.
 * Encapsulates all interactions with the username, password input fields and the login button.
 */
export class LoginPage {
  readonly page: Page;
  readonly usernameInput: Locator;
  readonly passwordInput: Locator;
  readonly loginButton: Locator;

  /**
   * Method to login with the provided credentials.
   */
}
```

Week 3 - day2 - integrate jira user stories

The screenshot shows a 'Connect Jira' interface. It includes a form with fields for 'Jira Base URL' (https://apjitin-testleaf.atlassi), 'Email ID' (apjitin@gmail.com), and 'Jira API Token'. A green 'Connect Jira' button is below the form. Below the button, a green bar indicates 'Connected'. A list of Jira user stories is shown, each with a title, a 'Story - To Do' status, and a 'SCRUM' ID. The stories are:

- Employee Profile Employee Self (SCRUM-29) with an 'Imported' button.
- Ahc Reports Reports Ahc (SCRUM-28) with a 'Use this story' button.
- Secretary Dashboard Doctor Calendar (SCRUM-27) with a 'To Do' status.

On the right, a section titled 'Your test cases will appear here' contains instructions: 'Fill in the story details on the left and hit Generate. We'll craft positive, negative, edge, and more test cases for you.' Below this are four buttons: 'Positive', 'Negative', 'Edge', and 'Authorization'.
